B) Incentive program for placing business with us using our website.

- Gift Cards! For every 10 accounts bound via the web you will receive a \$50 gift card.
- Just bind the business! We keep up with the rest.

C) Online Certificate of Insurance Issuance

- Available for most GL markets/classes
- Certificates issued by you and printed in your office with our authorized surplus lines signature already on it! The certificate is automatically sent to our office when you use the system.

Here is a quote from one producer about the Certificate of Insurance On-Line program:
“ok, I know we are slow checking this out, but just did our first one and it was awesome! Super easy, fast is wonderful.”
